CALIFORNIA STATE BOARD OF PSYCHOLOGY

BILL ANALYSIS

BILL NUMBER: AB 1715

VERSION: INTRODUCED

AUTHOR: HOLDEN

SPONSOR: CALIFORNIA ASSOCIATION FOR
BEHAVIOR ANALYSIS

RECOMMENDED POSITION: OPPOSE UNLESS AMENDED

SUBJECT: HEALING ARTS: BEHAVIOR ANALYSIS: LICENSING

Overview

This bill would establish the Behavior Analyst Act. The bill would require a person to apply for and obtain a license from the board prior to engaging in the practice of behavior analysis, as defined, either as a behavior analyst or an assistant behavior analyst. The bill would require applicants to, among other things, meet certain educational and training requirements, and submit fingerprints for both a state and federal criminal background check.

This bill would, until January 1, 2022, vest the board with the power to enforce the Behavior Analyst Act, and would require the board to, among other things, post information regarding licensed behavior analysts and licensed assistant behavior analysts, as specified. The bill would, until January 1, 2022, create the Behavior Analyst Committee within the jurisdiction of the board, and would require the committee to be comprised of 5 members who shall be appointed as specified. The bill would authorize the committee to make recommendations to the board regarding the implementation of the act.

Existing Law:

- 1) Requires that every health care service plan or insurance policy that provides hospital, medical or surgical coverage must also provide coverage for behavioral health treatment for pervasive developmental disorder or autism (PDD/A). (Health and Safety Code (HSC) §1374.73(a), Insurance Code (IC) §10144.51(a))
- 2) Requires these health care service plans and health insurers subject to this provision to maintain an adequate network of qualified autism service providers. (HSC §1374.73(b), IC §10144.51(b))
- 3) Defines "behavioral health treatment" as professional services and treatment programs, including applied behavior analysis and evidence-based behavior intervention programs which develop or restore the functioning of an individual with pervasive developmental disorder or autism, and meets the following criteria (HSC §1374.73(c), IC §10144.51(c):

- e) Has training and experience providing services for pervasive developmental disorder or autism pursuant to the Lanterman Developmental Disabilities Services Act.
- 6) Defines a “qualified autism service paraprofessional” as an unlicensed and uncertified person who meets all of the following (HSC §1374.73(c), IC §10144.51(c)):
- a) Is employed and supervised by a qualified autism service provider;
 - b) Provides treatment according to a treatment plan developed and approved by the qualified autism service provider;
 - c) Meets criteria set forth in regulations regarding use of paraprofessionals in group practice providing behavioral intervention services; and
 - d) Is certified by a qualified autism service provider as having adequate education, training, and experience.
- 7) Defines vendor service codes and sets requirements for regional to classify the following professions (CCR 17 §54342):
- a) Associate Behavior Analysts;
 - b) Behavior Analysts;
 - c) Behavior Management Assistants;
 - d) Behavior Management Consultants; and
 - e) Behavior Management Programs.

Comments:

- 1) **ASPPB Position.** The Association of State and Provincial Psychology Boards’ Position Statement Regarding Applied Behavior analysis is as follows:
- a) ASPPB adopts the position that applied behavior analysis (ABA) services must be state, provincially or territorially regulated in order to ensure consumer protection.
 - b) ASPPB adopts the position that applied behavior analysis services should be regulated under the psychology boards with a defined scope of practice and title separate from that of psychologists.

SB 479 (Bates) meets these two conditions.

- 2) **ABA Task Force Recommendations:** The Applied Behavior Analysis Task Force met in January 2015 and passed the following recommendations that were adopted by the full Board at its February 2015 Meeting:

the regulatory body. BPC 139 requires the Board to conduct an occupational analysis of all state and national examinations. The Board would be forced to incur the cost of developing its own ABA competency examinations in the event the BACB examinations are not released for review.

The bill requires candidates for licensure to pass a Board administered law and ethics examination. This would need to be developed by the Board prior to the acceptance of application in 2018. This would be two examinations for each category due to the differing competencies and scopes of the licenses.

- 7) **License or Registration.** Proposed section 2229.33 (d) LABA's are "licensed" yet require "ongoing supervision". A license implies ability to practice independently. Psychological Assistants and Registered Psychologists are registrant categories that require supervision from a fully licensed psychologist. Assistant Behavior Analysts should fall under the registrant category.
- 8) **Listing of FBI and DOJ Fingerprint Procedures:** Proposed section BPC 2999.30 (1), (2), (3): list the FBI's and the DOJ's processes. These are performed automatically and do not require defining in the ABA Practice Act.
- 9) **BreEZe Impact.** The IT components of this bill will fall under the BreEZe system and are estimated to total \$120,000 in FY 2017/18.

8) Recommended Position: "Oppose Unless Amended"

9) Support and Opposition.

None on file.

CALIFORNIA LEGISLATURE— 2015–2016 REGULAR SESSION

ASSEMBLY BILL

No. 1715

Introduced by Assembly Member Holden

January 26, 2016

An act to amend Sections 27 and 2920 of, to amend, repeal, and add Sections 2922, 2923, and 2927 of, to add Chapter 6.7 (commencing with Section 2999.10) to Division 2 of, and to repeal Sections 2999.20, 2999.26, 2999.31, and 2999.33 of, the Business and Professions Code, relating to healing arts.

LEGISLATIVE COUNSEL'S DIGEST

AB 1715, as introduced, Holden. Healing arts: behavior analysis: licensing.

Existing law provides for the licensure and regulation of various healing arts licensees by various boards, as defined, within the Department of Consumer Affairs, including the Board of Psychology. Under existing law, until January 1, 2017, the board is vested with the power to enforce the Psychology Licensing Law, and consists of 9 members, 4 of whom are public members and 5 of whom are licensed psychologists. Existing law requires the board to post information on its licensees, as specified, including, among others, psychological assistants. Existing law specifies that a quorum of the board requires 5 members.

This bill would, on and after July 1, 2018, increase the number of members that constitute a quorum of the board to 6 members, and would require the Governor to appoint 2 additional members to the board that to meet certain requirements, including, but not limited to, that one member is licensed as a psychologist and qualified to practice behavior analysis, as defined.

This bill would establish the Behavior Analyst Act. The bill would require a person to apply for and obtain a license from the board prior to engaging in the practice of behavior analysis, as defined, either as a behavior analyst or an assistant behavior analyst. The bill would require these applicants to, among other things, meet certain educational and training requirements, and submit fingerprints for both a state and federal criminal background check. The bill would require an assistant behavior analyst applicant to provide proof to the board of ongoing supervision by a licensed behavior analyst or a licensed psychologist who is qualified to practice behavior analysis, as specified. The bill would provide that those licenses expire 2 years after the date of issuance and would authorize the renewal of unexpired licenses if certain requirements are met, including the completion of specified continuing education. The bill would also require an applicant to certify, under penalty of perjury, that he or she is in compliance with that continuing education requirement. By expanding the crime of perjury, the bill would impose a state-mandated local program.

This bill would also require a behavior analysis technician, as defined, who practices under the direction and

supervision of a licensed behavior analyst, a licensed assistant behavior analyst, or a licensed psychologist who is qualified to practice behavior analysis, to submit, among other things, an application subject to board approval, fingerprints for a state and federal criminal background check, and payment of an annual application fee.

This bill would, until January 1, 2022, vest the board with the power to enforce the Behavior Analyst Act, and would require the board to, among other things, post information regarding licensed behavior analysts and licensed assistant behavior analysts, as specified. The bill would, until January 1, 2022, create the Behavior Analyst Committee within the jurisdiction of the board, and would require the committee to be comprised of 5 members who shall be appointed as specified. The bill would authorize the committee to make recommendations to the board regarding the regulation of the practice of behavior analysis in the state.

This bill would define certain terms for these purposes. The bill would require the board to conduct disciplinary hearings, as specified. The bill, on and after July 1, 2019, would make it unlawful to, among other things, practice behavior analysis without being licensed by the board, except as specified.

This bill would make a licensee or health care facility, as defined, that fails or refuses to comply with an authorized client request or court order for the medical records of a client subject to a specified civil penalty, except as specified. The bill would also make a licensee or health care facility with multiple violations of those court orders subject to a crime. By creating a new crime, the bill would impose a state-mandated local program.

This bill would make a violation of any of these provisions a misdemeanor punishable by 6 months in the county jail or a fine not to exceed \$2,500, or by both imprisonment and a fine. By creating a new crime, this bill would result in a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

2999.10. This chapter shall be known, and may be cited, as the Behavior Analyst Act.

2999.11. (a) The Legislature finds and declares that the practice of behavior analysis in California affects the public health, safety, and welfare, and is subject to regulation to protect the public from the unauthorized and unqualified practice of behavior analysis, and unprofessional, unethical, or harmful conduct by persons licensed to practice behavior analysis.

(b) It is the intent of the Legislature that the board begin accepting applications for behavior analyst licensure and assistant behavior analyst licensure no later than January 1, 2018, provided that the funds necessary to implement this chapter have been appropriated by the Legislature as specified in Section 2999.98.

2999.12. For purposes of this chapter, the following terms have the following meanings:

(a) "Behavior analysis technician" means an individual who works directly with a client to implement applied behavior analysis services under the direction and supervision of a licensed behavior analyst, a licensed assistant behavior analyst, or a licensed psychologist who is qualified to practice behavior analysis, and has successfully completed the application requirements described in Section 2999.36.
