

## MEMORANDUM

<b>DATE</b>	August 4, 2016
<b>TO</b>	Board of Psychology
<b>FROM</b>	 Jason Glasspiegel Central Services Coordinator
<b>SUBJECT</b>	Agenda Item #20(n) – SB 1194 (Hill) Professions and Vocations: Competitive Impact

### **Background:**

The Language in this bill is currently in SB 1195 (Hill) but will be amended to SB 1194 (Hill) as noticed in the agenda.

This bill provides requirements and procedures for the Director of the Department of Consumer Affairs to review a decision or other action by a board under the Department regarding a restraint or licensee and adds competitive impact as a standard when reviewing regulatory actions of a state board. It prohibits the Board of Registered Nursing's Executive Officer from being a licensee of the Board. It authorizes a veterinary technician to compound a drug for anesthesia for animals in licensed premises, and extends the Veterinary Medical Board's Sunset Bill.

Once amended, the new language differs from the previous version in several ways:

- The new language narrows the Director's review to only those board actions or decisions that are deemed market sensitive.
- The new language does not allow the Director to modify a board action or decision. The Director may simply approve or disapprove an action.
- The new language does not make any changes to current provisions related to board Executive Officers.

**Location:** Senate Inactive File

**Status:** In Senate. From third reading. To Inactive File

### **Action Requested:**

This is for informational purposes only. Staff will continue to watch SB 1195 which will become SB 1194.

Section 825 of the Government Code is amended to read:

**825.**

(a) Except as otherwise provided in this section, if an employee or former employee of a public entity requests the public entity to defend him or her against any claim or action against him or her for an injury arising out of an act or omission occurring within the scope of his or her employment as an employee of the public entity and the request is made in writing not less than 10 days before the day of trial, and the employee or former employee reasonably cooperates in good faith in the defense of the claim or action, the public entity shall pay any judgment based thereon or any compromise or settlement of the claim or action to which the public entity has agreed.

If the public entity conducts the defense of an employee or former employee against any claim or action with his or her reasonable good-faith cooperation, the public entity shall pay any judgment based thereon or any compromise or settlement of the claim or action to which the public entity has agreed. However, where the public entity conducted the defense pursuant to an agreement with the employee or former employee reserving the rights of the public entity not to pay the judgment, compromise, or settlement until it is established that the injury arose out of an act or omission occurring within the scope of his or her employment as an employee of the public entity, the public entity is required to pay the judgment, compromise, or settlement only if it is established that the injury arose out of an act or omission occurring in the scope of his or her employment as an employee of the public entity.

Nothing in this section authorizes a public entity to pay that part of a claim or judgment that is for punitive or exemplary damages.

(b) Notwithstanding subdivision (a) or any other provision of law, a public entity is authorized to pay that part of a judgment that is for punitive or exemplary damages if the governing body of that public entity, acting in its sole discretion except in cases involving an entity of the state government, finds all of the following:

(1) The judgment is based on an act or omission of an employee or former employee acting within the course and scope of his or her employment as an employee of the public entity.

(2) At the time of the act giving rise to the liability, the employee or former employee acted, or failed to act, in good faith, without actual malice and in the apparent best interests of the public entity.

(3) Payment of the claim or judgment would be in the best interests of the public entity.

As used in this subdivision with respect to an entity of state government, "a decision of the governing body" means the approval of the Legislature for payment of that part of a judgment that is for punitive damages or exemplary damages, upon recommendation of the appointing power of the employee or former employee, based upon the finding by the Legislature and the appointing authority of the existence of the three conditions for payment of a punitive or exemplary damages claim. The provisions of subdivision (a) of Section 965.6 shall apply to the payment of any claim pursuant to this subdivision.

The discovery of the assets of a public entity and the introduction of evidence of the assets of a public entity shall not be permitted in an action in which it is alleged that a public employee is liable for punitive or exemplary damages.

The possibility that a public entity may pay that part of a judgment that is for punitive damages shall not be disclosed in any trial in which it is alleged that a public employee is liable for punitive or exemplary damages, and that disclosure shall be grounds for a mistrial.

(c) Except as provided in subdivision (d), if the provisions of this section are in conflict with the provisions of a memorandum of understanding reached pursuant to Chapter 10 (commencing with Section 3500) of Division 4 of Title 1, the memorandum of understanding shall be controlling without further legislative action, except that if those provisions of a memorandum of understanding require the expenditure of funds, the provisions shall not become effective unless approved by the Legislature in the annual Budget Act.

(d) The subject of payment of punitive damages pursuant to this section or any other provision of law shall not be a subject of meet and confer under the provisions of Chapter 10 (commencing with Section 3500) of Division 4 of Title 1, or pursuant to any other law or authority.

(e) Nothing in this section shall affect the provisions of Section 818 prohibiting the award of punitive damages against a public entity. This section shall not be construed as a waiver of a public entity's immunity from liability for punitive damages under Section 1981, 1983, or 1985 of Title 42 of the United States Code.

(f) (1) Except as provided in paragraph (2), a public entity shall not pay a judgment, compromise, or settlement arising from a claim or action against an elected official, if the claim or action is based on conduct by the elected official by way of tortiously intervening or attempting to intervene in, or by way of tortiously influencing or attempting to influence the outcome of, any judicial action or proceeding for the benefit of a particular party by contacting the trial judge or any commissioner, court-appointed arbitrator, court-appointed mediator, or court-appointed special referee assigned to the matter, or the court clerk, bailiff, or marshal after an action has been filed, unless he or she was counsel of record acting lawfully within the scope of his or her employment on behalf of that party. Notwithstanding Section 825.6, if a public entity conducted the defense of an elected official against such a claim or action and the elected official is found liable by the trier of fact, the court shall order the elected official to pay to the public entity the cost of that defense.

(2) If an elected official is held liable for monetary damages in the action, the plaintiff shall first seek recovery of the judgment against the assets of the elected official. If the elected official's assets are insufficient to satisfy the total judgment, as determined by the court, the public entity may pay the deficiency if the public entity is authorized by law to pay that judgment.

(3) To the extent the public entity pays any portion of the judgment or is entitled to reimbursement of defense costs pursuant to paragraph (1), the public entity shall pursue all available creditor's remedies against the elected official, including garnishment, until that party has fully reimbursed the public entity.

(4) This subdivision shall not apply to any criminal or civil enforcement action brought in the name of the people of the State of California by an elected district attorney, city attorney, or attorney general.

(g) Notwithstanding subdivision (a), a public entity shall pay for a judgment or settlement for treble damage antitrust awards against a member of a regulatory board for an act or omission occurring within the scope of his or her employment as a member of a regulatory board.

(h) Treble damages awarded pursuant to the federal Clayton Act (Sections 12 to 27 of Title 15 of, and Sections 52 to 53 of Title 29 of, the United States Code) for a violation of the federal Sherman Act (Sections 1 to 6, 6a, and 7 of Title 15 of the United States Code) are not punitive or exemplary damages under the Government Claims Act (Division 3.6 (commencing with Section 810) of Title 1 of the Government Code) for purposes of this section.

Section 11346.5 of the Government Code is amended to read:

**11346.5.**

(1) A statement of the time, place, and nature of proceedings for adoption, amendment, or repeal of the regulation.

(2) Reference to the authority under which the regulation is proposed and a reference to the particular code sections or other provisions of law that are being implemented, interpreted, or made specific.

(3) An informative digest drafted in plain English in a format similar to the Legislative Counsel's digest on legislative bills. The informative digest shall include the following:

(A) A concise and clear summary of existing laws and regulations, if any, related directly to the proposed action and of the effect of the proposed action.

(B) If the proposed action differs substantially from an existing comparable federal regulation or statute, a brief description of the significant differences and the full citation of the federal regulations or statutes.

(C) A policy statement overview explaining the broad objectives of the regulation and the specific benefits anticipated by the proposed adoption, amendment, or repeal of a regulation, including, to the

extent applicable, nonmonetary benefits such as the protection of public health and safety, worker safety, or the environment, the prevention of discrimination, the promotion of fairness or social equity, and the increase in openness and transparency in business and government, among other things.

(D) An evaluation of whether the proposed regulation is inconsistent or incompatible with existing state regulations.

(4) Any other matters as are prescribed by statute applicable to the specific state agency or to any specific regulation or class of regulations.

(5) A determination as to whether the regulation imposes a mandate on local agencies or school districts and, if so, whether the mandate requires state reimbursement pursuant to Part 7 (commencing with Section 17500) of Division 4.

(6) An estimate, prepared in accordance with instructions adopted by the Department of Finance, of the cost or savings to any state agency, the cost to any local agency or school district that is required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4, other nondiscretionary cost or savings imposed on local agencies, and the cost or savings in federal funding to the state.

For purposes of this paragraph, "cost or savings" means additional costs or savings, both direct and indirect, that a public agency necessarily incurs in reasonable compliance with regulations.

(7) If a state agency, in proposing to adopt, amend, or repeal any administrative regulation, makes an initial determination that the action may have a significant, statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states, it shall include the following information in the notice of proposed action:

(A) Identification of the types of businesses that would be affected.

(B) A description of the projected reporting, recordkeeping, and other compliance requirements that would result from the proposed action.

(C) The following statement: "The (name of agency) has made an initial determination that the (adoption/amendment/repeal) of this regulation may have a significant, statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. The (name of agency) (has/has not) considered proposed alternatives that would lessen any adverse economic impact on business and invites you to submit proposals. Submissions may include the following considerations:

(i) The establishment of differing compliance or reporting requirements or timetables that take into account the resources available to businesses.

(ii) Consolidation or simplification of compliance and reporting requirements for businesses.

(iii) The use of performance standards rather than prescriptive standards.

(iv) Exemption or partial exemption from the regulatory requirements for businesses.”

(8) If a state agency, in adopting, amending, or repealing any administrative regulation, makes an initial determination that the action will not have a significant, statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states, it shall make a declaration to that effect in the notice of proposed action. In making this declaration, the agency shall provide in the record facts, evidence, documents, testimony, or other evidence upon which the agency relies to support its initial determination.

An agency’s initial determination and declaration that a proposed adoption, amendment, or repeal of a regulation may have or will not have a significant, adverse impact on businesses, including the ability of California businesses to compete with businesses in other states, shall not be grounds for the office to refuse to publish the notice of proposed action.

(9) A description of all cost impacts, known to the agency at the time the notice of proposed action is submitted to the office, that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

If no cost impacts are known to the agency, it shall state the following:

“The agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.”

(10) A statement of the results of the economic impact assessment required by subdivision (b) of Section 11346.3 or the standardized regulatory impact analysis if required by subdivision (c) of Section 11346.3, a summary of any comments submitted to the agency pursuant to subdivision (f) of Section 11346.3 and the agency’s response to those comments.

(12) (A) A statement that the action would have a significant effect on housing costs, if a state agency, in adopting, amending, or repealing any administrative regulation, makes an initial determination that the action would have that effect.

(B) The agency officer designated in paragraph ~~(14)~~ (15) shall make available to the public, upon request, the agency’s evaluation, if any, of the effect of the proposed regulatory action on housing costs.

(C) The statement described in subparagraph (A) shall also include the estimated costs of compliance and potential benefits of a building standard, if any, that were included in the initial statement of reasons.

(D) For purposes of model codes adopted pursuant to Section 18928 of the Health and Safety Code, the agency shall comply with the requirements of this paragraph only if an interested party has made a request to the agency to examine a specific section for purposes of estimating the costs of compliance and potential benefits for that section, as described in Section 11346.2.

(13) If the regulatory action is submitted by a board within the Department of Consumer Affairs, a statement that the Director of Consumer Affairs has reviewed the proposed regulation and determined that the proposed regulation furthers state law.

~~(13)~~ (14) A statement that the adopting agency must determine that no reasonable alternative considered by the agency or that has otherwise been identified and brought to the attention of the agency would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost effective to affected private persons and equally effective in implementing the statutory policy or other provision of law. For a major regulation, as defined by Section 11342.548, proposed on or after November 1, 2013, the statement shall be based, in part, upon the standardized regulatory impact analysis of the proposed regulation, as required by Section 11346.3, as well as upon the benefits of the proposed regulation identified pursuant to subparagraph (C) of paragraph (3).

~~(14)~~ (15) The name and telephone number of the agency representative and designated backup contact person to whom inquiries concerning the proposed administrative action may be directed.

~~(15)~~ (16) The date by which comments submitted in writing must be received to present statements, arguments, or contentions in writing relating to the proposed action in order for them to be considered by the state agency before it adopts, amends, or repeals a regulation.

~~(16)~~ (17) Reference to the fact that the agency proposing the action has prepared a statement of the reasons for the proposed action, has available all the information upon which its proposal is based, and has available the express terms of the proposed action, pursuant to subdivision (b).

~~(17)~~ (18) A statement that if a public hearing is not scheduled, any interested person or his or her duly authorized representative may request, no later than 15 days prior to the close of the written comment period, a public hearing pursuant to Section 11346.8.

~~(18)~~ (19) A statement indicating that the full text of a regulation changed pursuant to Section 11346.8 will be available for at least 15 days prior to the date on which the agency adopts, amends, or repeals the resulting regulation.

~~(19)~~ (20) A statement explaining how to obtain a copy of the final statement of reasons once it has been prepared pursuant to subdivision (a) of Section 11346.9.

~~(20)~~ (21) If the agency maintains an Internet Web site or other similar forum for the electronic publication or distribution of written material, a statement explaining how materials published or distributed through that forum can be accessed.

~~(21)~~ (22) If the proposed regulation is subject to Section 11346.6, a statement that the agency shall provide, upon request, a description of the proposed changes included in the proposed action, in the manner provided by Section 11346.6, to accommodate a person with a visual or other disability for which

effective communication is required under state or federal law and that providing the description of proposed changes may require extending the period of public comment for the proposed action.

(b) The agency representative designated in paragraph ~~(14)~~ (15) of subdivision (a) shall make available to the public upon request the express terms of the proposed action. The representative shall also make available to the public upon request the location of public records, including reports, documentation, and other materials, related to the proposed action. If the representative receives an inquiry regarding the proposed action that the representative cannot answer, the representative shall refer the inquiry to another person in the agency for a prompt response.

(c) This section shall not be construed in any manner that results in the invalidation of a regulation because of the alleged inadequacy of the notice content or the summary or cost estimates, or the alleged inadequacy or inaccuracy of the housing cost estimates, if there has been substantial compliance with those requirements.
