

COURSE APPROVAL FORM FOR DISCIPLINARY TERMS

Coursework must be pre-approved by the Board Monitor to ensure that the course subject and content are aligned with the Disciplinary Order term. Coursework approval can only be requested before you attend the course.

- CE credits are not required to meet this term. The Board may order coursework hours in areas not specifically related to psychological services, such as health provider business processes.
- The ability to interact with the instructor is required for all coursework. Classroom courses and online courses which allow attendees to interact with the instructor are allowed for credit toward this term. Non qualifying courses are those without real-time interaction with an instructor as the course is presented, or are limited to written material review only.
- To receive credit toward your disciplinary order requirements, you must submit a copy of the certificate of attendance to the Board monitor after the course is completed, by U.S. Mail or email to: psychprobation@dca.ca.gov.
