The board will review the licensee's area of practice, the subject matter of the course, and the provider on a case-by-case basis. This exception does not mean the licensee is exempt from completing the continuing education required by Business and Professions Code section 2915 and this article.

(1) An exception granted pursuant to this subsection means that the Board will accept continuing education courses that are not acceptable pursuant to section 1397.61(c) provided that they are directly related to the licensee's specific area of practice and offered by recognized professional organizations. The Board will review the licensee's area of practice, the subject matter of the course, and the provider on a case-by-case basis. This exception does not mean the licensee is exempt from completing the continuing education required by Business and Professions Code section 2915 and this article.

(2) Upon presentation of satisfactory evidence, organizations approved by the American Psychological Association (APA) as Sponsors of Continuing Education for Psychologists will be recognized as California approved providers of continuing education courses for psychologists during the duration of their APA approval, and shall be exempt from the annual continuing education provider fee described in section 1397.68. Such APA providers shall be held to all other requirements of California approved providers of continuing education for psychologists except for the individual course review requirement.

(c) The provider is responsible for assuring the educational quality of its course material. All continuing education course material shall meet the standards set forth in section 1397.64(a)(1) of these regulations and shall be:

(1) approved in advance by an accreditation agency (except for those courses offered by providers defined in section 1397.61(d), (e) and (f));

(2) specifically applicable and pertinent to the practice of psychology;

(3) accurate and timely;

(4) presented in an organized manner conducive to the learning process;
(5) complete and objective, and not reflecting predominantly any commercial views of the provider or presenter or of anyone giving financial assistance to the provider or presenter;

(6) based on stated educational goals and objectives; and

(7) accompanied by a syllabus which contains, at a minimum, the instructional objectives for each course and a summary containing the main points of each topic.

(d) All providers shall furnish a list of course participants, with the accompanying course attendee fee as required in section 1397.68, to the accreditation agency, and verification of attendance certificates to all participants within 45 days of course completion. The list and the certificate shall contain the name of the licensee and license number, name and number of the provider, title of the course, number of completed hours, date of completion, course number, if applicable, and the name of the accreditation agency.

(e) Every approved provider shall apply to the accreditation agency, on forms approved by the board (see form No. 07M-BOP-14(New 10/94)), at least 30 days in advance, for each continuing education course offered or presented, whether for the first time or repeated.

(f) The approved provider shall be required to maintain attendance records for three (3) years for each continuing education course. Acceptable documentation of participation shall include attendance rosters, sign-in and sign-out sheets, and completed course evaluation forms.

(g) The approved provider's course shall be valid for up to one year following the initial approval provided a notification and activity registration fee is submitted to the accreditation agency at least 30 days in advance for each time the course is offered or presented.

(h) The approved provider's advertisements for approved courses shall clearly indicate the provider's name, course title, course approval number, the number of credit hours, and the name of the accrediting agency.

(i) The approved provider shall have a written policy, available upon request, which provides information on:

1. refunds in case of non-attendance

2. time period for return of fees

3. notification if course is canceled.

(j) Providers may not grant partial credit for continuing education courses. However, conferences, in-service training programs and grand rounds consisting of a series of presentations may obtain approval for the entire conference, in-service training program or grand round as one course wherein credit may be granted to participants separately for each individual presentation in such courses.

(k) Provider approval is non-transferable. Approved providers shall inform the accrediting agency in writing within 30 days of any changes in organizational structure and/or person(s) responsible for continuing education program, including name and address changes.

(l) Providers are responsible for meeting all applicable local, state and federal standards which include, but are not limited to, the Americans with Disabilities Act.

(m) Providers may obtain approval for grand rounds activities for an entire year with one application provided the staff person responsible for grand rounds submits to the accreditation agency a general descriptive outline of grand rounds activities for the year. This outline shall be of sufficient detail regarding content to be covered in the weekly grand rounds activities to allow the accreditation agency to determine whether the activities are appropriate for continuing education credit for licensed psychologists.

(1) Conviction of a felony or misdemeanor substantially related to the activities of an accreditation agency approved provider.

(2) Failure of an applicant or provider who is a psychologist, psychological assistant, psychological intern or registered psychologist to comply with any provisions of the Psychology License Law (Business and Professions Code Section 2900 et seq.) or the regulations adopted pursuant thereto in Division 13.1 of Title 16 (commencing with section 1380) of the California Code of Regulations.

(b) After a thorough case review, if the board recognized accreditation agency denies, suspends, places on probation with terms or conditions, or revokes its approval of a provider, it shall give the applicant or provider written notice setting forth its reasons for the denial, suspension, placing on probation with terms and conditions, or revocation. The applicant or provider may appeal the action in writing within fifteen (15) days after receipt of the notice, and request a hearing before a panel appointed by the recognized accreditation agency. A suspension or revocation of approval shall be stayed upon the filing of an appeal. A denial of approval shall not be stayed.

The panel shall consist of three persons who have not been involved in the determination to deny, suspend or revoke the approval of the applicant or provider. The panel shall hear the appeal within 60 days of the receipt of the appeal, and maintain a record of the proceedings. A decision in writing shall be issued within 30 days of the date of the hearing.

If the appointed panel sustains the denial, placing on probation with terms and conditions, suspension or revocation, the applicant or provider may appeal the decision of the panel to a Continuing Education Appeals Committee (CE Appeals

Committee) of the board. The CE Appeals Committee shall be appointed by the board's president and consist of two board members, one public member and one licensed psychologist member. The appeal must be filed with the board within seven (7) days after receipt of the panel's decision. **DEPARTMENT OF CONSUMER AFFAIRS
Board of Psychology
Document Added to the Rulemaking File
FEE ANALYSIS (December 13, 2010)**

The Board of Psychology (BOP) has approximately 19,000 licensed psychologists who renew biennially, with an average of 800 licenses renewed monthly. The proposed regulations will establish a \$10.00 fee to be paid to the Board by a licensee renewing in an active, inactive or delinquent status for the purpose of the Board conducting compliance audits.

Under existing regulations, licensees pay a \$35.00 reporting fee to the Mandatory Continuing Education for Psychologists Accrediting Agency (MCEPAA) for the purpose of reporting coursework obtained from any authorized providers not approved by MCEPAA. There are an estimated 6,500 psychologists submitting reports to MCEPAA annually. This reporting results in a 100% compliance audit submitted by MCEPAA to the Board.

The Board estimates approximately 10% of licensed psychologists will be audited each month for compliance with the continuing education requirements. Described below are the estimated costs the Board will incur in conducting compliance audits.

Target # of audits per month – 10% = approximately 80 audits per month

OFFICE TECHNICIAN (OT):

Selects licensees for audits, requests documents, tracks correspondence requests, enters data, requests follow-up, updates status codes, notifies licensees of final outcome

Average 1.5 hours per audit X 80 audits = 120 hours/month
120 hours out of 174 average working hours per month = 69% of an OT position
\$3264/month OT salary X 69% = **\$2252/month**

OFFICE TECHNICIAN (OT):

Answers phone inquiries from current month's and previous months' audit licensees, provide general information/instruction, and refer to appropriate staff

Approximately 40 hours/month
40 hours out of 174 average working hours per month = 24% of an OT position
\$3264/month OT salary X 24% = **\$783/month**

ASSOCIATE GOVERNMENTAL PROGRAM ANALYST (AGPA):

Collects, researches, applies applicable laws, contacts providers/sponsors, contacts licensees, allow/disallow CE credit

Average 1.5 hours per audit X 80 audits = 120 hours/month
120 hours out of 174 average working hours per month = 69% of an AGPA position
\$5348/month AGPA salary X 69% = **\$3690/month**

MAILING:

Initial contact/request – $80 \times \$0.44 = \35.20

75% follow-up request – $60 \times \$0.44 = 26.40$

Notification of final disposition – $80 \times \$0.44 = \35.20

Miscellaneous contacts (providers/sponsors, etc.) – $160 \times \$0.44 = \70.40

Approximate total mailing costs/month = **\$167**

TOTAL COSTS:

OT1 \$2252

OT2 \$783

AGPA \$3690

MAIL \$167

TOTAL: \$7,162/month

\$7,162 divided by 800 licensees per month = \$8.95/month/licensee

We will also have miscellaneous costs for creating and printing informational inserts for licensees' renewal forms, updating website, etc.

Re: S/S 1397.61: PPR Parity with Other Entities Accepted by the Board "To Perform an Accrediting Function," or to otherwise provide continuing education courses via Section 1397.61, of Title 16, Division 13.1. And Sections 1397.60 - 1397.7, 1397.69, (Specifically including the newly proposed modifications of Section 1397.61.)

Dear Mr. Kahane:

Unfortunately, as the enclosures clearly indicate, PPR has been unsuccessful in obtaining needed information from you and the Board despite our numerous written requests, which you have acknowledged and even referenced in your emailed letter (copy enclosed.) In the past, (year 2009,) upon submitting requests for needed information, and more recently, you assured us (on 12/2/2010) that we would receive such information. This is the law, as you previously pointed out in past assurances dated 11/10/2009, (see enclosed,) in accordance with the "Public Records Act." As of this late date, we have not received the requested information. In addition, you have written in response to our writing to you, that we have not received a letter from the Board regarding the initial disposition of the Board's action, regarding PPR's petition, that you were "surprised" that we did not get such a letter, and that you were unable to find any record or copy of the Board sending such a letter, and will need to "reconstruct" one. To date, no such letter has been received.

Further, we note that the newly promulgated rules as presented for comment, are such as to disqualify some, if not all of the Board's listed chosen entities, which were apparently selected by the Board to provide continuing education courses as we are requesting to do.

To date, no voting details of how each Board member voted on these decisions, or on PPR's initial petition has been received by PPR as it requested. If the Board had indeed received the necessary prior application information documentation from these accepted entities in order for the Board to have knowledgeably voted and chosen them to provide such an accrediting function, or to provide continuing education courses as newly proposed in section 1397.61, similar to documentation submitted by PPR for the Board to act, then it would be clear that the Board should have known if the chosen entities do, or do not meet the newly proposed rule requirements.

Specifically, some of the entities had long since published and gone on record that they pointedly do not evaluate, or approve of continuing education courses, nor are they in any way responsible for such courses. PPR believes that they have such a policy in order to avoid legal exposure, which is their preference. They merely approve of the C. E. Credits that are awarded by themselves via authors, or their many Sponsors. That means that the California Board will have no way of knowing, or of being assured that the courses meet the minimum standards for its licensees to gain appropriate continuing education knowledge.

PPR, as an MCEP Provider since the very inception of the Board establishing rules for continuing education for its licensees, has always been required to obtain approval for its courses, and has never had one course fail such an application. In fact, we have received a number of MCEP letters of reported results of covert audits by MCEP of our live courses, which were most complimentary of the high academic quality of our courses. MCEP has recently approved PPR as an MCEP Provider for the year 2011.

While it is our high concern that PPR be included in the list of entities that the Board identifies to the public as able to provide continuing education courses, it is also our concern that members of the administration and members of the Board itself, act in good faith, and without dual standards or covert preferences. It is for these concerns that we are reiterating once again, our request for the documentation we have previously requested under the Public Records Act, and for placement on the Board's agenda for a vote on PPR becoming one of the identified entities to provide continuing education courses. Our past letters to the Board have clearly explained why its petition should be favorably acted on.

The above request is only one of our concerns. We believe the arguable question of the administration staff of this Board, and perhaps certain Board members acting in bad faith, or with misfeasance or malfeasance, unfortunately presents itself due to the above actions and/or lack of actions. PPR and its attorney have requested numerous times that documentation be provided or affirmed that it is not received or known to the Board. We have been assured by you in your emails to us, that you will respond regarding our request in accordance with our requests. (See enclosures of copies of your emails to that effect, dating back over one year.)

Such continued failure (in our belief,) when coupled with our petition not being formally placed again on the agenda or presented to the Board for a vote, and/or its detailed vote not being reported to PPR even though it was requested, may constitute recourse for a civil court action, rather than an administrative hearing. PPR's original request goes back many years, as your current Assistant State Attorney General knows, since she served as the Board's Attorney back when PPR submitted its original request to the Board, prior to your becoming the Board's Executive Director.

Please see PPR's past letters outlining its concerns.

The recent inclusion of the CPA as an added entity chosen by the Board to serve as a provider of continuing education courses, now identified under the proposed new text in Section 1397.61, for which there are four entities named, excluding PPR from that listing of entities able to provide continuing education courses, (and for which it is now again petitioning inclusion,) further give rise to the disenfranchisement of PPR as a meaningful, respected entity providing accepted continuing education courses since PPR becomes conspicuous by its absence among that chosen group of four C. E. Providers or agency. Further, we believe the Board and the Board's administration staff clearly know that MCEP and the CPA have clear conflict of interest issues, and that CPA is also a legal affiliate of APA.

It is PPR's fervent wish for the Board to favorably correct our grievances, adhere to the law by granting our request for information and full disclosure, to approve of PPR as worthy to serve in the capacity as a continuing education provider of courses as newly presented to the public in section 1397.61, and allow PPR to continue to offer its important courses and training to the psychology licensees of the State of California for continuing education credits.

Sincerely,

Samuel A. Feldman, Ph.D.
President

Gov. Jerry Brown, Jeffrey Thomas, Linda Kassis, PPR selected members
