SUBJECT: Update Regarding Audit of the California Supplemental Psychology Supplemental Examination (CPSE) by Office of Professional Examination Services (OPES)

The Office of Professional Examination Services plans to use one workshop examination development cycle (i.e., four workshops that would have been designated for two item reviews, one exam construction, and one passing score workshop) to conduct the audit of the National Examination. The workshops for the audit are scheduled for August 3 – 4, 2011 and September 14 – 15, 2011.
