MEMORANDUM

DATE	October 20, 2014
TO	Psychology Board Members
FROM	Jonathan Burke Administrative Services Coordinator
SUBJECT	AB 2058 (Wilk): Open Meetings

Background:

This legislation would modify the definition of “state body” within the Bagley-Keene Open Meeting Act to include advisory committees with less than three individuals when those committees have standing subject matter jurisdiction.

The Board voted to take a “Watch” position on this bill.

The bill was vetoed by Governor Brown on September 27th, 2014. In the veto message the Governor commented that an advisory committee does not have authority to act on its own and must present any findings and recommendations to a larger body in a public setting for formal action. The Governor believes that the necessity of the public setting for formal action is sufficient.

Attachment A is the veto message issued by Governor Brown.
