DATE	November 5, 2014
TO	Psychology Board Members
FROM	Jonathan Burke Administrative Services Coordinator
SUBJECT	Title 16, CCR, Section 1397.12 – Uniform Standards Related to Substance Abuse and Disciplinary Guidelines

Background:

At the August Hearing no public comments were submitted and none had been received in writing. The Board voted to approve the originally noticed language. However, it subsequently became apparent that a modification of the noticed language was necessary. The modifications were noticed on October 17th, 2014 with the comment period closing on November 1st, 2014. No comments were submitted.

The changes are in response to the discovery of errors in the proposed language previously submitted to the Office of Administrative Law. The Legislative and Regulatory Review Division of the Department of Consumer Affairs also requested the inclusion of a list of consequences under the Major and Minor Violations heading of the Disciplinary Guidelines.

Attached are the 15 Day Notice of Modification to Text of Proposed Regulations, the Modification of Proposed Regulation, and the Modification of Proposed Disciplinary Guidelines

Action Requested:

Approve modified text of Title 16, CCR, Section 1397.12 and the Uniform Standards Related to Substance Abuse and Disciplinary Guidelines (rev 9/14).
