

MEMORANDUM

DATE	November 5, 2014
TO	Psychology Board Members
FROM	Jonathan Burke Administrative Services Coordinator
SUBJECT	Title 16, CCR, Sections 1388, 1388.6, 1389, 1392 – Examinations, License Requirements and Waiver of Exemption, Reconsideration of Examinations, Psychologists Fees

Background:

At the August Hearing the Board passed two motions regarding this proposal;

- To approve the modified text as presented for a 15-day public comment period and to delegate the authority to the Executive Officer, absent any negative comments, to adopt the modified text.
- To delegate the authority to the Executive Officer and staff to make any required non-substantive changes, and to complete the rulemaking file and submit to the Office of Administrative Law.

The proposed modifications were in response to the discovery of errors in the proposed language previously submitted to the Office of Administrative Law. Specifically the deletion of the specific scaled score of the exam referenced in Title 16, CCR section 1388(e), and provide that the Board would apply a scaled score as recommended by the Association of State and Provincial Psychology Boards, and modify section 1392 to refer to “the” licensing exam, rather than “either” exam, since the CPSE is to be eliminated.

The Board received no comments regarding the 15 Notice of Modified Text and the Executive Officer, Antonette Sorrick approved the modified language on Friday, November 7th.

Attached are the 15 Day Notice of Modification to Text of Proposed Regulations and the Modification of Proposed Regulation.
