

MEMORANDUM

DATE	May 4, 2014
TO	Board of Psychology Members
FROM	Antonette Sorrick Executive Officer
SUBJECT	Access to Mental Healthcare in the State of California Campaign Update: Agenda Item 20 (g)

Background:

The Board voted to engage in a two-year campaign regarding access to mental healthcare in the State of California. The Board is currently at the information-gathering phase. Below is a synopsis of the campaign activities to date:

- 1) Article regarding number of mental healthcare licensees per county
- 2) Invited Health Professions Education Foundation to present an informational presentation on the loan repayment program for working in underserved areas. The foundation will be at the Board's August 13-14 meeting.

Action Requested:

No action required.
