<b>DATE</b>	July 30, 2015
<b>TO</b>	Board of Psychology Members
<b>FROM</b>	Jonathan Burke Administrative Services Coordinator
<b>SUBJECT</b>	<b>AB 773 (Baker) - Expiration of License/Birth Date Renewal Legislation -</b>

### **Background:**

This is a Board sponsored bill that seeks to establish that all psychologists' initial license periods are 24 months. This change will stop first time licensees being charged a full two-year fee for an abbreviated license period. The proposed language was approved by the Board at the November, 2014 meeting in San Diego.

The bill is being authored by Assemblymember Baker (R – AD16). The bill passed through the Assembly Committee on Business and Professions on consent and the Assembly Committee on Appropriations on consent. The bill passed the Assembly on consent with 77 aye votes to zero noes.

AB 773 is now in the Senate where it passed through the Business and Professions Committee on consent. The bill will now be considered by the Senate Appropriations Committee. A significant, negative fiscal impact was determined by the Committee Analysis and the bill has been placed on the suspense file. Board staff and our counterparts from the Medical Board are working to have the legislation progress through the Committee.

### **Action Requested:**

The staff recommendation is to continue to "Support" AB 773 (Baker).

**Attachment A** is the bill language.

**Attachment B** is the Board's Support Letter.

## LEGISLATIVE COUNSEL'S DIGEST

AB 773, as amended, Baker. Licenses: Medical Board of California: Board of Psychology.

Existing law provides for the licensure and regulation of specific health care professions by the Medical Board of California or a licensing and regulatory authority within the jurisdiction of that board. The Medical Practice Act determines the expiration of, and governs the renewal of, certificates, licenses, registrations, and permits issued by or under the Medical Board of ~~California, including physician and surgeon's certificates, certificates to practice podiatric medicine, physical therapy licenses and approvals, registrations of research psychoanalysts, registrations of dispensing opticians, registrations of nonresident contact lens sellers, registrations of spectacle lens dispensers, registrations of contact lens dispensers, certificates to practice midwifery, and fictitious name permits.~~ *California*. Under the act, physician and surgeon's certificates, certificates to practice podiatric medicine, registrations of spectacle lens dispensers and contact lens dispensers, and certificates to practice midwifery expire on the last day of the birth month of the licensee during the 2nd year of a 2-year term. Under that act, registrations of dispensing opticians expire on the last day of the month in which the license was issued during the 2nd year of a 2-year term.

The Psychology Licensing Law establishes the Board of Psychology to license and regulate the practice of psychology. Under that law, psychology licenses expire on the legal birth date of the licensee during the 2nd year of a 2-year term.

This bill would instead have ~~all of~~ the above licenses, *with the exception of certificates to practice podiatric medicine*, expire at the end, as provided, of a 2-year period from the date the license was issued.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

(b) To renew an unexpired license, the licensee, on or before the date on which it would otherwise expire, shall apply for renewal on a form prescribed by the licensing authority and pay the prescribed renewal fee.

**RE: AB 773 (BAKER) – PSYCHOLOGY LICENSING  
AMENDED - MAY 21, 2015  
SPONSOR & SUPPORT**

Dear Assemblymember Baker:

The California Board of Psychology (Board) is sponsoring and **SUPPORTS AB 773**, which will ensure initial psychologist licenses expire two years from the initial issuance date.

First time licensees of the Board are currently paying the full license amount for their license when they are not always receiving that license for the complete two-year period. First time licensees are at the start of their careers as psychologists and have often incurred significant student debts in the process of earning undergraduate and postgraduate degrees. The establishment of an initial license period that is always 24 months will stop these licensees paying a full fee for an abbreviated license period.

The Board's mission is to advance quality psychological services for Californians by ensuring ethical and legal practice and supporting the evolution of the profession.

If you have any questions or concerns, please feel free to contact the Board's Executive Officer, Antonette Sorrick, at (916) 574-7113. Thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Michael Erickson'.

MICHAEL ERICKSON, PH.D.  
President, Board of Psychology
