SUBJECT	Agenda Item 5.d. - Closed Session Request from K.F. for an Extension to the Limit of a Cumulative 72 Months to Renew a Psychological Assistant Registration Pursuant to 16 C.C.R. Section 1391.1(b)

Background:

Attached is K.F.'s request for an extension to the limit of a cumulative 72 months to renew a Psychological Assistant registration.

Section 1391.1(b) of the CCR states the following:

- (a) Any person desiring to supervise a psychological assistant shall submit an application on a form provided by the Board.
- (b) Registration as a psychological assistant shall be limited to a cumulative total of six years (72 months). Each registration shall be subject to annual renewal pursuant to section 1391.12. For any psychological assistant registered prior to the effective date of this subdivision, subsequent renewals or registrations shall be limited to a cumulative total of six years (72 months) from the date of the psychological assistant's next registration or renewal, whichever occurs first. Upon showing of good cause as determined by the Board, these specified time limitations may be reasonably modified.

K.F. was issued a psychological assistant registration on 2/1/08. That registration expired on 6/17/11. K.F. was issued another psychological assistant registration on 6/14/11. That registration was cancelled on 8/1/15. K.F. was issued a third psychological assistant registration on 4/6/15. That registration is current.

Section 1391.1(b) became effective on 10/23/10. K.F.'s 72 months began on the issue date of his second registration on 6/14/11 and will expire on 6/14/17.

K.F.'s age and ability to pass the EPPP is the primary concern. K.F. would like to continue working as a psychological assistant with the current clients/patients.

Action:

The Committee must decide to either grant or deny a four year extension to the 72 month limitation to renew a psychological assistant registration which would allow K.F. to work as a psychological assistant until 6/14/21 when K.F. will be 75 years old and ready to retire.
