

## ISSUE MEMORANDUM

<b>DATE</b>	February 28, 2017
<b>TO</b>	Policy and Advocacy Committee
<b>FROM</b>	 Cherise Burns Central Services Manager
<b>SUBJECT</b>	Agenda Item #6(a) – Omnibus Proposal

### **Background:**

Each year the Senate Business, Professions, and Economic Development Committee reaches out to the Boards and Bureaus within DCA regarding the need for clean-up language and non-controversial statutory changes to the Business and Professions Code (BPC) that all get combined into one large omnibus bill. These changes can be as simple as updating outdated statutory references to making changes that conform to legislation passed in the previous year or session.

For the 2017 legislative session, staff submitted a Request for Approval of Proposed Legislation Omnibus Proposal for Board approval at its November Board Meeting. This Omnibus Proposal would provide clean up to existing statutory language relating to who pays the registration fees for psychological assistants so that it conforms to the changes made by the Board's Sunset Bill SB 1193 (Chapter 484, Statutes of 2016). Without the psychological assistant fee changes, the application process for psychological assistants would be disjointed and potentially delayed as applications would be submitted by psychology assistants but stuck waiting for payment to be received separately from their supervisor. This would not only negate the purpose of having one consolidated license for psychological assistants, but also would lead to confusion over which supervisor should pay the fee if the individual has two places of employment and not meet the intent of the changes enacted in SB 1193 to streamline the process. The Board approved the proposal and instructed staff to work with the Senate BP&ED to get the proposal included in the Committees annual omnibus proposal.

In January 2017, Board staff submitted the proposal to the Senate BP&ED staff for consideration. Board staff will continue to work with Senate BP&ED and Senate Republican Caucus staff to include the provisions in the omnibus proposal and notify the Board of the bill number once Senate BP&ED introduces the omnibus bill.
