MEMORANDUM

DATE | April 24, 2018
---|---
TO | Board of Psychology
FROM | Cherise Burns
Central Services Manager
SUBJECT | Agenda Item #21(a)(1): AB 2968 (Levine) – Amend sections 337 and 728 of the Business and Professions Code Regarding the Brochure Addressing Sexual Contact between a Psychotherapist and a Patient

Background:
At the March 2017 Outreach and Education Committee meeting, that Committee discussed a plan to have all relevant board’s staff review/amend the Professional Therapy Never Includes Sex brochure, convene an expert panel to review proposed amendments, and present it to the Department of Consumer Affairs for final consideration. While reviewing the statutory requirement to produce the brochure, these boards agreed that changes to the general provisions of the Business and Professions Codes should be made.

At the November 2017 Board Meeting, the Board approved the draft Omnibus Legislative Proposal and directed Staff to submit the proposal to the Senate Committee on Business, Professions and Economic Development (Senate BP&ED) for inclusion in their omnibus bill. In December 2017, Staff submitted the Omnibus Legislative Proposal to Senate BP&ED for consideration of inclusion in their omnibus bill.

In January 2018, Senate BP&ED staff notified Staff that they did not accept the Board’s Omnibus Legislative Proposal for inclusion in their omnibus bill, but offered assistance in finding an individual Senator or Assembly Member to author the bill. Our proposal was not selected for inclusion as the Senate BP&ED staff believed its provisions were more complex and did not fit into the category of a Sunset clean-up provision. Staff then sought an author for the proposal.

In February 2018, Assembly Member Marc Levine graciously offered to author the proposal as amended at our February 2018 Board Meeting. During the drafting of the bill language Legislative Council made some minor changes to the language, but Staff believes these changes do not substantively alter the legislative language. If additional drafting amendments are desired by the Board, this can be accomplished during upcoming hearings. AB 2968 (Levine) was heard by the Assembly Committee on Business and Professions (Assembly B&P) on April 24, 2018. Dr. Michael Erickson represented the Board during the hearing and provided testimony in support of the bill. The bill was well received and received unanimous support from Assembly B&P which passed the bill on a
vote of 16-0-0. The bill heads to the Assembly Committee on Appropriations for its next hearing.

**Location:** 4/24/2018 Assembly Committee on Business and Professions

**Status:** 4/24/2018 From committee: Do pass and re-refer to Assembly Committee on Appropriations. (Ayes 16. Noes 0.) (April 24). Re-referred to Assembly Committee on Appropriations.

**Votes:** 4/24/2018 Assembly Committee on Business and Professions (16-0-0)

**Action Requested:**
This item is for informational purposes only. No action is required.

Attachment A: AB 2968 (Levine) Bill Text
Attachment B: Sexual Behaviors Definition vs. Current Statute (Updated)
Attachment C: Board Letter to Assembly Committee on Business and Professions
Attachment D: Assembly Committee on Business and Professions Analysis
**SECTION 1.** Section 337 of the Business and Professions Code is amended to read:

337. (a) The department shall prepare and disseminate an informational brochure for victims of psychotherapist-patient sexual contact and their advocates. This brochure shall be developed by the department in consultation with members of the Sexual Assault Program of the Office of Criminal Justice Planning and the office of the Attorney General department.

(b) The brochure shall include, but is not limited to, the following:

(1) A legal and an informal definition of psychotherapist-patient sexual behavior and sexual contact.

(2) A brief description of common personal reactions and histories of victims and victim’s families.

(3) A patient’s bill of rights.

(4) Instructions for reporting psychotherapist-patient sexual relations and sexual contact.

(5) A full description of administrative, civil, and professional associations complaint procedures.

(6) A description of services available for support of victims.

(c) The brochure shall be provided to each individual contacting the Medical Board of California and affiliated health boards, California, the Osteopathic Medical Board of California, the Board of Psychology, or the Board of Behavioral Sciences regarding a complaint involving psychotherapist-patient sexual relations.

**SEC. 2.** Section 728 of the Business and Professions Code is amended to read:

728. (a) Any psychotherapist or employer of a psychotherapist who becomes aware through a patient that the patient had alleged sexual intercourse or alleged sexual behavior or sexual contact with a previous psychotherapist during the course of a prior treatment shall provide to the patient a brochure developed by the department pursuant to Section 337 that delineates the rights of, and remedies for, patients who have been involved sexually with their psychotherapists. Further, the psychotherapist or employer shall discuss with the patient the brochure prepared by the department.

(b) Failure to comply with this section constitutes unprofessional conduct.

(c) For the purpose of this section, the following definitions apply:

(1) "Psychotherapist” means any of the following:

(A) A physician and surgeon specializing in the practice of psychiatry or practicing psychotherapy, a psychologist, a clinical social worker, a marriage and family therapist, a licensed professional clinical counselor, a psychological assistant, a marriage and family therapist registered intern or trainee, an intern or clinical counselor trainee, as specified in Chapter 16 (commencing with Section 4999.10), or an associate clinical social worker.

(B) A psychologist.

(C) A psychological assistant.
(D) A registered psychologist.

(E) A trainee under the supervision of a licensed psychologist.

(F) A marriage and family therapist.

(G) An associate marriage and family therapist.

(H) A marriage and family therapist trainee.

(I) A licensed educational psychologist.

(J) A clinical social worker.

(K) An associate clinical social worker.

(L) A licensed professional clinical counselor.

(M) An associate professional clinical counselor.

(N) A clinical counselor trainee.

(2) "Sexual behavior” means inappropriate contact or communication of a sexual nature. "Sexual behavior” does not include the provision of appropriate therapeutic interventions relating to sexual issues.

(3) "Sexual contact” means the touching of an intimate part of another person.

(4) "Intimate part” and “touching” have the same meaning as defined in subdivisions (g) and (e), respectively, of Section 243.4 of the Penal Code.

(5) “The course of a prior treatment” means the period of time during which a patient-client first commences treatment for services that a psychotherapist is authorized to provide under his or her scope of practice, or that the psychotherapist represents to the patient-client as being within his or her scope of practice, until the psychotherapist-patient psychotherapist-client relationship is terminated.

The Honorable Evan Low
Chair, Assembly Committee on Business and Professions
State Capitol, Room 4126
Sacramento, CA 95814

RE: AB 2968 (Levine) – Psychotherapist-client relationship: victims of sexual behavior and sexual contact: informational brochure – SPONSOR

Dear Assembly Member Low:

The Board of Psychology (Board) is pleased to SPONSOR AB 2968 (Levine). This bill would update and modernize statutory provisions relating to the Department of Consumer Affairs (DCA) informational brochure for victims of psychotherapist-patient sexual impropriety titled “Professional Therapy Never Includes Sex” by removing obsolete language, including other recognized forms of sexual exploitation, behavior facilitated by modern modes of communication, and more clearly articulating to consumers the most effective course of action when reporting these types of allegations. This bill would also add a new threshold for when a psychotherapist is legally required to provide the brochure to a client.

Business and Professions Code sections 337 and 728 requires the Department of Consumer Affairs (DCA) to prepare and disseminate the Professional Therapy Never Includes Sex brochure for victims of psychotherapist-patient sexual impropriety. These provisions also require psychotherapists to provide this informational brochure to clients if they become aware that the client alleges having had sexual intercourse or sexual contact with a previous psychotherapist. However, current law defines sexual contact narrowly as “sexual intercourse or the touching of an intimate part of a patient for the purpose of sexual arousal, gratification, or abuse”. Additionally, current law defines an intimate part as “the sexual organ, anus, groin, or buttocks of any person, and the breast of a female”. This results in these code sections narrowly defining when a patient is required to be provided the informational brochure by a therapist, and narrowly defines the inappropriate behavior included in the brochure.

These narrow definitions overlook currently-recognized forms of sexual exploitation and ignore behavior facilitated by modern modes of communication and sexually exploitative grooming behaviors that do not reach the level of sexual contact as currently defined in the Business and Professions Code. Examples of sexually exploitative behaviors that the Board has seen in disciplinary cases that do not reach the level of sexual contact include kissing a client, touching or exposing oneself inappropriately, sending flirtatious, sexually suggestive or sexually explicit texts, messages or emails to a client, sending clients photos that include nudity, genitals, or sexually suggestive poses, and buying romantic gifts for a patient.

Acceptance or encouragement of sexual contact or behaviors in the psychotherapist-patient relationship by the licensed professional is one of the most egregious ethical violations by a psychotherapist, as it violates the duty of care inherent in a therapeutic relationship, abuses the trust of the patient, and can create harmful, long-lasting emotional and psychological effects. The updating of the Professional Therapy Never Includes Sex brochure and the threshold for when psychotherapists are required to provide it to a client are intended to help consumers who have been victims of sexual contact or behaviors and to better educate the public about behaviors that are unethical and not a part of appropriate therapeutic interventions.
The Board is cognizant that during psychotherapy, and especially during therapeutic interventions related to sexual issues, there will be in-depth discussions and communications of a sexual nature with the client. When these discussions are a part of appropriate and documented therapeutic interventions, these communications would not be considered sexual behavior under AB 2968.

The provisions in AB 2968 are the product of a collaborative effort by the Board of Psychology, Board of Behavioral Sciences, Medical Board of California, and Osteopathic Medical Board of California to update and modernize the current brochure and its related statutory provisions.

For these reasons, the Board asks for your support of AB 2968 when it is heard in the Assembly Committee on Business and Professions on Tuesday, April 24. If you have any questions or concerns, please feel free to contact the Board’s Executive Officer, Antonette Sorrick, at (916) 574-7113. Thank you.

Sincerely,

STEPHEN C. PHILLIPS, JD, PsyD
President, Board of Psychology

Date of Hearing: April 24, 2018

ASSEMBLY COMMITTEE ON BUSINESS AND PROFESSIONS
Evan Low, Chair
AB 2968 (Levine) – As Amended March 23, 2018

SUBJECT: Psychotherapist-client relationship: victims of sexual behavior and sexual contact: informational brochure.

SUMMARY: Updates requirements for psychotherapists and the Department of Consumer Affairs (DCA) relating to outreach on psychotherapist-patient sexual contact, as specified.

EXISTING LAW:

1) Establishes the DCA within the Business, Consumer Services, and Housing Agency, specifies that the DCA is under the control of the Director of Consumer Affairs, and establishes within the DCA licensing entities, including boards and bureaus, to ensure that private businesses and professions deemed to engage in activities which have potential impact upon the public health, safety, and welfare are adequately regulated in order to protect the people of California. (Business and Professions Code (BPC) §§ 100-144.5)

2) Promotes and protects the interests of consumers under the Consumer Affairs Act, requires the Director of Consumer Affairs to administer and implement the Act, and specifies the powers and duties of the director. (BPC §§ 300-337)

3) Requires the DCA to prepare and disseminate an informational brochure for victims of psychotherapist-patient sexual contact and the victims’ advocates and requires the DCA to develop the brochure in consultation with members of the Sexual Assault Program of the Office of Criminal Justice Planning and the office of the Attorney General. (BPC § 337(a))

4) Requires the psychotherapist-patient sexual contact brochure to include, at a minimum, the following:

   a) A legal and an informal definition of psychotherapist-patient sexual contact. (BPC § 337(b)(1))

   b) A brief description of common personal reactions and histories of victims and victim’s families. (BPC § 337(b)(2))

   c) A patient’s bill of rights. (BPC § 337(b)(3))

   d) Options for reporting psychotherapist-patient sexual relations and instructions for each reporting option. (BPC § 337(b)(4))

   e) A full description of administrative, civil, and professional associations complaint procedures. (BPC § 337(b)(5))

   f) A description of services available for support of victims. (BPC § 337(b)(6))
5) Requires the brochure to be provided to each individual contacting the Medical Board of California, affiliated health boards, or the Board of Behavioral Sciences regarding a complaint involving psychotherapist-patient sexual relations. (BPC § 337(c))

6) Regulates various health care practitioners under their respective practice acts, which are administered and implemented by the DCA healing arts licensing entities or other entities established or named under the practice acts, and specifies generally applicable requirements and penalties. (BPC §§ 500-4999.129)

7) Requires a psychotherapist or employer of a psychotherapist, if the psychotherapist or employer of a psychotherapist becomes aware through a patient that the patient had alleged sexual intercourse or alleged sexual contact with a previous psychotherapist during a prior treatment, to provide to and discuss with the patient the DCA’s psychotherapist-patient sexual contact brochure and makes it unprofessional conduct to fail to do so. (BPC § 728)

8) Defines, for purposes of the requirement to provide and discuss the DCA psychotherapist-patient sexual contact brochure, the following:

   a) “Psychotherapist” means a physician and surgeon specializing in the practice of psychiatry or practicing psychotherapy, a psychologist, a clinical social worker, a marriage and family therapist, a licensed professional clinical counselor, a psychological assistant, a marriage and family therapist registered intern or trainee, an intern or clinical counselor trainee, as specified in Chapter 16 (commencing with Section 4999.10), or an associate clinical social worker. (BPC § 728(c)(1))

   b) “Sexual contact” means the touching of an intimate part of another person. (BPC § 728(c)(2))

   c) “Intimate part” means physical contact with another person, whether accomplished directly, through the clothing of the person committing the offense, or through the clothing of the victim. (BPC § 728(c)(3))

   d) “Touching” means physical contact with another person, whether accomplished directly, through the clothing of the person committing the offense, or through the clothing of the victim. (BPC § 728(c)(3))

   e) “The course of a prior treatment” means the period of time during which a patient first commences treatment for services that a psychotherapist is authorized to provide under his or her scope of practice, or that the psychotherapist represents to the patient as being within his or her scope of practice, until the psychotherapist-patient relationship is terminated. (BPC § 728(c)(4))

**THIS BILL:**

1) Defines "sexual behavior" as inappropriate contact or communication of a sexual nature.

2) Excludes from the definition of "sexual behavior" the provision of appropriate therapeutic interventions relating to sexual issues.
3) Requires the DCA to include "sexual behavior" in its psychotherapist-patient sexual contact brochure.

4) Adds "sexual behavior" to the type of allegation that a psychotherapist or employer of a psychotherapist may become aware of from a patient that would trigger the requirement to provide to and discuss with the patient the DCA psychotherapist sexual behavior and sexual contact brochure.

5) Adds to the definition of "psychotherapist" previously excluded or subsequently regulated mental health practitioners, including:
   a) A registered psychologist.
   b) A trainee under the supervision of a licensed psychologist.
   c) A licensed educational psychologist.
   d) An associate clinical social worker.
   e) An associate professional clinical counselor.

6) Replaces the term "patient" with "client" in the requirements relating to the DCA psychotherapist-client sexual contact brochure.

7) Requires the DCA to provide the psychotherapist-client sexual behavior and sexual contact brochure to individuals contacting the Osteopathic Medical Board and the Board of Psychology, in addition to the Medical Board of California and the Board of Behavioral Sciences, instead of "affiliated health boards."

8) Deletes the requirement that the DCA develop the psychotherapist sexual behavior and sexual contact brochure with members of the Sexual Assault Program of the Office of Criminal Justice Planning and the office of the Attorney General.

9) Makes other technical, updating, and clarifying changes.

FISCAL EFFECT: Unknown. This bill is keyed fiscal by Legislative Counsel.

COMMENTS:

Purpose. This bill is sponsored by the author, who is working closely with the California Board of Psychology. According to the author, "[this bill] updates and modernizes statutory provisions by removing obsolete language and adding currently recognized forms of sexual exploitation and modern modes of communication. It more clearly articulates to consumers the most effective course of action when reporting these types of allegations."

Background. Pursuant to existing law, the DCA produces and distributes a brochure entitled Professional Therapy Never Includes Sex. At the Board of Psychology's February 16, 2018, board meeting, the Board voted to approve updates and other changes to modernize the brochure that were produced and updated by the Board of Psychology, the Board of Behavioral Sciences, the Medical Board of California, and the Osteopathic Medical Board of California.
According to the Board of Psychology, the statutory language narrowly defines "when a patient is required to be provided the informational brochure by a therapist, and narrowly defines the inappropriate behavior included in the brochure. These narrow definitions overlook currently-recognized forms of sexual exploitation and ignore behavior facilitated by modern modes of communication and sexually exploitative grooming behaviors that do not reach the level of sexual contact as currently defined in the Business and Professions Code."

Psychotherapy. According to the federal National Institute of Mental Health, "Psychotherapy… is a term for a variety of treatment techniques that aim to help a person identify and change troubling emotions, thoughts, and behavior. Most psychotherapy takes place with a licensed and trained mental health care professional and a patient meeting one on one or with other patients in a group setting."

The Board of Psychology is one of the licensing entities under the DCA that licenses and regulates mental health providers that provide psychotherapy. Specifically, the Board of Psychology implements, administers, and enforces the Psychology Licensing Law, which establishes the state licensing scheme for licensed psychologists. According to the DCA's 2017 Annual Report, the Board of Psychology reported overseeing a total of 22,449 licensees, including 20,726 licensed psychologists, 1,494 psychological assistants, and 229 registered psychologists.

Prior Related Legislation. AB 1317 (Frazier), Chapter 352, Statutes of 2013 implemented the Governor's Reorganization Plan No. 2, which abolished the Office of Criminal Justice Planning and transferred the duties and obligations to the Office of Emergency Services, with the exception of the duties relating to the adult and juvenile criminal justice system, which were assumed by the Board of State and Community Corrections.
