

MEMORANDUM

DATE	July 20, 2018
TO	Board of Psychology
FROM	 Jason Glasspiegel Central Services Coordinator
SUBJECT	Agenda Item #22(b)(2)(C) – AB 2324 (Rubio) Elder or Dependent Adult Abuse: Disorderly Conduct: Mandated Reporters

Background:

Under current law, it is disorderly conduct, punishable as a misdemeanor, to, among other things, use a concealed camera to secretly record another identifiable person who may be in a state of full or partial undress, for the purpose of viewing the body or undergarments of that other person, without the consent or knowledge of the other person, in the interior of a bedroom, bathroom, changing room, fitting room, dressing room, or tanning booth, or the interior of any other area in which that other person has a reasonable expectation of privacy, with the intent to invade the privacy of that person.

This bill would require a mandated reporter to report a violation of subdivision (j) of Section 647 of the Penal Code (disorderly conduct crimes) committed against an elder or dependent adult. The bill would make a violation of this requirement a misdemeanor.

Staff spoke with the author's office due to the cancelation of the May 23, 2018 hearing. The author advised that they plan to work with the opposition and present another bill next year.

(A) If the suspected or alleged abuse is physical abuse, as defined in Section 15610.63, and the abuse occurred in a long-term care facility, except a state mental health hospital or a state developmental center, the following shall occur:

(i) If the suspected abuse results in serious bodily injury, a telephone report shall be made to the local law enforcement agency immediately, but also no later than within two hours of the mandated reporter observing, obtaining knowledge of, or suspecting the physical abuse, and a written report shall be made to the local ombudsman, the corresponding licensing agency, and the local law enforcement agency within two hours of the mandated reporter observing, obtaining knowledge of, or suspecting the physical abuse.

(ii) If the suspected abuse does not result in serious bodily injury, a telephone report shall be made to the local law enforcement agency within 24 hours of the mandated reporter observing, obtaining knowledge of, or suspecting the physical abuse, and a written report shall be made to the local ombudsman, the corresponding licensing agency, and the local law enforcement agency within 24 hours of the mandated reporter observing, obtaining knowledge of, or suspecting the physical abuse.

(iii) When the suspected abuse is allegedly caused by a resident with a physician's diagnosis of dementia, and there is no serious bodily injury, as reasonably determined by the mandated reporter, drawing upon his or her training or experience, the reporter shall report to the local ombudsman or law enforcement agency by telephone, immediately or as soon as practicably possible, and by written report, within 24 hours.

(iv) When applicable, reports made pursuant to clauses (i) and (ii) shall be deemed to satisfy the reporting requirements of the federal Elder Justice Act of 2009, as set out in Subtitle H of the federal Patient Protection and Affordable Care Act (Public Law 111-148), Section 1418.91 of the Health and Safety Code, and Section 72541 of Title 22 of California Code of Regulations. (A), in whole or in part, by means of all-county letters, provider bulletins, or other similar instructions without taking regulatory action.

(C) If the suspected or alleged abuse is abuse other than physical abuse, and the abuse occurred in a long-term care facility, except a state mental health hospital or a state developmental center, a telephone report and a written report shall be made to the local ombudsman or the local law enforcement agency.

(D) With regard to abuse reported pursuant to subparagraph (C), the local ombudsman and the local law enforcement agency shall, as soon as practicable, except in the case of an emergency or pursuant to a report required to be made pursuant to clause (v), in which case these actions shall be taken immediately, do all of the following:

(iii) When a local law enforcement agency receives an initial report of suspected or alleged abuse or neglect in a state mental hospital or a state developmental center pursuant to clause (i), the local law enforcement agency shall coordinate efforts with the designated investigators of the State Department of State Hospitals or the State Department of Developmental Services to provide the most immediate and appropriate response warranted to investigate the mandated report. The designated investigators of the State Department of State Hospitals or the State Department of Developmental Services and local law enforcement agencies may collaborate to develop protocols to implement this clause.

(iv) Except in an emergency, the local law enforcement agency shall, as soon as practicable, report any case of known or suspected criminal activity to the Bureau of Medi-Cal Fraud and Elder Abuse.

(v) Notwithstanding any other law, a mandated reporter who is required to report pursuant to Section 4427.5 shall not be required to report under clause (i).

(F) If the abuse has occurred in any place other than a long-term care facility, a state mental hospital, or a state developmental center, the report shall be made to the adult protective services agency or the local law enforcement agency.

(2) (A) A mandated reporter who is a clergy member who acquires knowledge or reasonable suspicion of elder or dependent adult abuse during a penitential communication is not subject to paragraph (1). For purposes of this subdivision, "penitential communication" means a communication that is intended to be in confidence, including, but not limited to, a sacramental confession made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization is authorized or accustomed to hear those communications and under the discipline tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.

(B) This subdivision shall not be construed to modify or limit a clergy member's duty to report known or suspected elder and dependent adult abuse if he or she is acting in the capacity of a care custodian, health practitioner, or employee of an adult protective services agency.

(C) Notwithstanding any other provision in this section, a clergy member who is not regularly employed on either a full-time or part-time basis in a long-term care facility or does not have care or custody of an elder or dependent adult shall not be responsible for reporting abuse or neglect that is not reasonably observable or discernible to a reasonably prudent person having no specialized training or experience in elder or dependent care.

(3) (A) A mandated reporter who is a physician and surgeon, a registered nurse, or a psychotherapist, as defined in Section 1010 of the Evidence Code, shall not be required to report, pursuant to paragraph (1), an incident if all of the following conditions exist:

(i) The mandated reporter has been told by an elder or dependent adult that he or she has experienced behavior constituting physical abuse, as defined in Section 15610.63, abandonment, abduction, isolation, financial abuse, ~~or neglect.~~ *neglect, or a violation of subdivision (j) of Section 647 of the Penal Code.*

(ii) The mandated reporter is not aware of any independent evidence that corroborates the statement that the abuse has occurred.

(iii) The elder or dependent adult has been diagnosed with a mental illness or dementia, or is the subject of a court-ordered conservatorship because of a mental illness or dementia.

(iv) In the exercise of clinical judgment, the physician and surgeon, the registered nurse, or the psychotherapist, as defined in Section 1010 of the Evidence Code, reasonably believes that the abuse did not occur.

(B) This paragraph shall not be construed to impose upon mandated reporters a duty to investigate a known or suspected incident of abuse and shall not be construed to lessen or restrict any existing duty of mandated reporters.

(4) (A) In a long-term care facility, a mandated reporter shall not be required to report as a suspected incident of abuse, as defined in Section 15610.07, an incident if all of the following conditions exist:

(iii) A physical, mental, or medical injury occurred as a result of care provided pursuant to clause (i) or (ii).

(iv) The mandated reporter reasonably believes that the injury was not the result of abuse.

(B) This paragraph shall not be construed to require a mandated reporter to seek, nor to preclude a mandated reporter from seeking, information regarding a known or suspected incident of abuse prior to reporting. This paragraph shall apply only to those categories of mandated reporters that the State Department of Public Health determines, upon approval by the Bureau of Medi-Cal Fraud and Elder Abuse and the state long-term care ombudsman, have access to plans of care and have the training and experience necessary to determine whether the conditions specified in this section have been met.

(c) (1) ~~Any~~ *A* mandated reporter who has knowledge, or reasonably suspects, that types of elder or dependent adult abuse for which reports are not mandated have been inflicted upon an elder or dependent adult, or that his or her emotional well-being is endangered in any other way, may report the known or suspected instance of abuse.

(2) If the suspected or alleged abuse occurred in a long-term care facility other than a state mental health hospital or a state developmental center, the report may be made to the long-term care ombudsman program. Except in an emergency, the local ombudsman shall report any case of known or suspected abuse to the State Department of Public Health and any case of known or suspected criminal activity to the Bureau of Medi-Cal Fraud and Elder Abuse, as soon as is practicable.

(3) If the suspected or alleged abuse occurred in a state mental health hospital or a state developmental center, the report may be made to the designated investigator of the State Department of State Hospitals or the State Department of Developmental Services or to a local law enforcement agency. Except in an emergency, the local law enforcement agency shall report any case of known or suspected criminal activity to the Bureau of Medi-Cal Fraud and Elder Abuse, as soon as is practicable.

(4) If the suspected or alleged abuse occurred in a place other than a place described in paragraph (2) or (3), the report may be made to the county adult protective services agency.

(5) If the conduct involves criminal activity not covered in subdivision (b), it may be immediately reported to the appropriate law enforcement agency.

(d) If two or more mandated reporters are present and jointly have knowledge or reasonably suspect that types of abuse of an elder or a dependent adult for which a report is or is not mandated have occurred, and there is agreement among them, the telephone report or Internet report, as authorized by Section 15658, may be made by a member of the team selected by mutual agreement, and a single report may be made and signed by the selected member of the reporting team. **Any A** member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

(e) A telephone report or Internet report, as authorized by Section 15658, of a known or suspected instance of elder or dependent adult abuse shall include, if known, the name of the person making the report, the name and age of the elder or dependent adult, the present location of the elder or dependent adult, the names and addresses of family members or any other adult responsible for the elder's or dependent adult's care, the nature and extent of the elder's or dependent adult's condition, the date of the incident, and any other information, including information that led that person to suspect elder or dependent adult abuse, as requested by the agency receiving the report.

(f) The reporting duties under this section are individual, and ~~no a~~ supervisor or administrator shall *not* impede or inhibit the reporting duties, and ~~no a~~ person making the report shall *not* be subject to any sanction for making the report. However, internal procedures to facilitate reporting, ensure confidentiality, and apprise supervisors and administrators of reports may be established, provided they are not inconsistent with this chapter.

(2) Whenever this section requires a law enforcement agency to report to a county adult protective services agency, the county adult protective services agency shall, immediately upon request, provide to that law enforcement agency a copy of its investigative report concerning the reported matter.

(3) The requirement to disclose investigative reports pursuant to this subdivision shall not include the disclosure of social services records or case files that are confidential, nor shall this subdivision be construed to allow disclosure of any reports or records if the disclosure would be prohibited by any other provision of state or federal law.

(h) Failure to report, or impeding or inhibiting a report of, physical abuse, as defined in Section 15610.63, abandonment, abduction, isolation, financial abuse, *neglect*, or ~~neglect-of a violation of subdivision (j) of Section 647 of the Penal Code of~~ an elder or dependent adult, in violation of this section, is a misdemeanor, punishable by not more than six months in the county jail, by a fine of not more than one thousand dollars (\$1,000), or by both that fine and imprisonment. **Any A** mandated reporter who willfully fails to report, or impedes or inhibits a report of, physical abuse, as defined in Section 15610.63, abandonment, abduction, isolation, financial abuse, *neglect*, or ~~neglect-of a violation of subdivision (j) of Section 647 of the Penal Code of~~ an elder or dependent adult, in violation of this section, if that abuse results in death or great bodily injury, shall be punished by not more than one year in a county jail, by a fine of not more than five thousand dollars (\$5,000), or by both that fine and imprisonment. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a

continuing offense until a law enforcement agency specified in paragraph (1) of subdivision (b) of Section 15630 discovers the offense.

(i) For purposes of this section, "dependent adult" shall have the same meaning as in Section 15610.23.
