~~§ 1387.3. Alternate Plan for Supervised Professional Experience in Non-Mental Health Services.~~

~~This section pertains only to those trainees who are preparing for practice, once licensed, in the non-mental health areas of the profession of psychology.~~

“Pathways to Licensure” Regulations Review

~~Due to lack of training sites and qualified supervisors, typically in the area of applied psychological research, industrial-organizational psychology, media and social-experimental psychology, but not including those involving direct mental health services, trainees in these areas of psychology shall submit a plan for supervised professional experience to the board for approval on a case-by-case basis as provided for in section 2914(c) of the code. In all such cases, the proposed plan must be submitted by the supervisee and approved by the board prior to commencement of supervision. Supervised professional experience (SPE) which is accrued prior to the approval of the plan will not count towards licensure.~~

~~(a) Supervision Plan Required~~

~~The proposed supervision plan (“plan”) submitted by the trainee for approval shall be signed by all participants involved. It shall describe the qualifications and responsibilities of the supervisor (and co-supervisor, if appropriate) for supervision. The plan shall be developed for and shall demonstrate appropriate preparation of the trainee to practice effectively in non-mental health services, and within the specific non-mental health setting. The plan shall address how the quality of work done by the trainee working in a non-mental health role will be monitored and assure protection of the client. As used in this section, “trainee” means a psychology trainee working under the provisions of this section.~~

~~(b) Hours and Setting Requirements~~

~~(1) Pursuant to section 2914(c) of the code, two years of qualifying SPE shall be completed and documented prior to licensure. One year of SPE shall be defined as 1500 hours. At least one year of SPE shall be completed postdoctorally. Each year of SPE shall be completed within a thirty (30) consecutive month period. If both years of SPE (3000 hours) are completed postdoctorally, they shall be completed within a sixty (60) month period. Upon showing of good cause as determined by the board, these specified time limitations may be reasonably modified.~~

~~(2) Predoctoral SPE under this section may be accrued only as follows:~~

~~(A) In a formal internship placement pursuant to section 2911 of the code and registration with the board is not required; or~~

~~(B) As an employee of an exempt setting pursuant to section 2910 of the code and registration with the board is not required; or~~

§ 1387. Supervised Professional Experience (SPE).

This section applies to all trainees accruing supervised professional experience (SPE) toward meeting the licensure requirements in section 2914(d) of the Code. This section also applies to all trainees accruing SPE in areas of general applied psychology.

(a) SPE is defined as an organized program that consists of a planned, structured and administered sequence of professionally supervised, comprehensive, training experiences. SPE shall have a logical training sequence that builds upon the skills and competencies of trainees to prepare them for independent practice once licensed. SPE shall include:

(1) socialization into the profession of psychology and shall be augmented by integrated modalities including mentoring, didactic exposure, modeling, observational/vicarious learning, and consultative guidance.

(2) activities that address the integration of psychological concepts and current and evolving competencies, scientific knowledge, principles, and theories to the professional delivery of psychological services to the public.

(3) only the time spent by the trainee engaged in psychological activities that directly serve to prepare the trainee for independent practice once licensed. SPE shall not include custodial tasks such as filing, transcribing or other clerical duties.

(b) Pursuant to section 2914(d) of the Code, two years of qualifying SPE shall be completed and documented prior to licensure. One year of SPE shall be defined as 1500 hours. At least one year of SPE shall be completed post-doctorally. Each year of SPE shall be completed within thirty (30) consecutive months. If both years of SPE (3000 hours) are completed post-doctorally, they shall be completed within sixty (60) consecutive months. Upon showing of good cause as determined by the Board, these specified time limitations may be reasonably modified.

(1) Pre-doctoral SPE: Up to 1500 hours of SPE may be accrued pre-doctorally but only after completion of 48 semester/trimester or 72 quarter units of graduate coursework in psychology, not including thesis or dissertation. Pre-doctoral SPE shall be accrued as follows:

(A) In an internship pursuant to section 2911 of the Code. Registration with the Board is not required; or

(B) As an employee of an exempt setting pursuant to section 2910 of the Code. Registration with the Board is not required; or

“Pathways to Licensure” Regulations Review

(C) As a psychological associate pursuant to section 2913 of the Code.
Registration with the Board prior to commencing work is required.

(2) Post-doctoral SPE: At least 1500 hours of SPE shall be accrued post-doctorally. “Post-doctorally” means after the date certified as “meeting all the requirements for the doctoral degree” by the Registrar or Dean of the educational institution. Post-doctoral SPE shall be accrued as follows:

(A) In a post-doctoral placement pursuant to section 2911 of the Code.
Registration with the Board is not required; or

(B) As an employee of an exempt setting pursuant to section 2910 of the Code.
Registration with the Board is not required; or

(C) As a psychological associate pursuant to section 2913 of the Code.
Registration with the Board prior to commencing work is required.

(c) Supervision Requirements:

(1) All SPE must be overseen by a primary supervisor.

(A) All primary supervisors must be licensed psychologists who meet the requirements of section 1387.1(a), except for SPE accrued in areas of general applied psychology, including but not limited to applied psychological research, industrial/organizational psychology, applied developmental psychology or consulting psychology, in which case the primary supervisor may be unlicensed.

If the primary supervisor is unlicensed, the trainee must obtain a co-supervisor who is a licensed psychologist that meets the requirements of section 1387.1(c).

(B) The primary supervisor may delegate supervision to other licensed mental health professionals who meet the requirements of section 1387.1(b).

(2) Trainees shall have no proprietary interest in the business of the primary or delegated supervisor(s) and shall not serve in any capacity that would hold influence over the supervisor(s)' judgment in providing supervision.

(3) A maximum of 40 hours per week can be credited toward SPE. Time spent in supervision can be counted toward the trainee's SPE. One (1) hour per week must be in real time, direct, individual supervision with the primary supervisor. Additional supervision can be provided by the primary, delegated, or co-supervisor(s). See table below for supervision requirements.

“Pathways to Licensure” Regulations Review

Hours Worked	Within the Hours Worked, Time Spent in Supervision
0-10	1
11-20	2
21-30	3
31-40	4
Total Countable SPE	40

(4) No supervisor shall request, receive, or facilitate the receipt of payment, monetary or otherwise, from the trainee as a condition for the accrual of SPE.

(5) Experience gained while the trainee is functioning under another mental health license shall not be credited toward meeting the SPE requirements for licensure.

(6) Once the SPE has been completed, the primary supervisor shall submit to the trainee a verification of experience form VOE (Rev. XX/XX), which is hereby incorporated by reference, signed by the primary supervisor under penalty of perjury, in a sealed envelope, signed across the seal by the primary supervisor, for submission to the Board by the trainee with the trainee's application for licensure. The verification shall certify to completion of the hours and contain the following information:

- Name and contact information of the trainee
- Name, license number and contact information of the supervisor
- Start and end date of the experience
- Total number of hours per week worked by the trainee
- Total number of supervised hours per week
- Total number of hours being verified

The supervisor must indicate, in the supervisor's best professional judgment, whether the trainee demonstrated an overall performance at or above the level of competence expected for the trainee's level of education, training and experience. When SPE is accrued in a formal pre-doctoral internship or post-doctoral training program, the program's training director shall be authorized to perform the verification and rating duties of the primary supervisor provided that the internship training director is a licensed psychologist who possesses a valid, active license free of any disciplinary action.

If the trainee did not demonstrate an overall performance at or above the level of competence expected for the trainee's level of education, training and experience, then the SPE shall not count towards the licensure requirements.

(7) The trainee shall maintain a written weekly log of all hours of SPE earned toward licensure, in accordance with section 1387.5.

§ 1387.1. Responsibilities of Supervisors.

(a) Primary supervisors shall comply with all of the following requirements:

(1) Prior to functioning as a primary supervisor and every two (2) years thereafter while acting as a primary supervisor, the supervisor shall complete six (6) hours of approved continuing professional development in supervision that meets the requirements in section 1397.61(c)(2).

(A) Primary supervisors shall certify under penalty of perjury to completion of the six (6) hour course, as required by this section, each time the supervisor completes a verification of the experience as referenced in section 1387(c)(7).

(B) Documentation of the course shall be maintained for six (6) years from the date of completion. Evidence of completion of the course shall be submitted to the Board upon request.

(2) Possess and maintain a valid, active license free of any current disciplinary action that disqualifies the supervisor from providing supervision, and shall immediately notify the trainee of any disciplinary action or any other license status change that affects the primary supervisor's ability or qualifications to supervise.

(3) Ensure that all supervisors and trainees comply with the provisions of the Psychology Licensing Law and regulations t.

(4) Be responsible for ensuring that all SPE is conducted in compliance with the Ethical Principles of Psychologists and Code of Conduct published by the American Psychological Association.

(5) Be responsible for monitoring the welfare of clients who receive psychological services rendered by the trainees.

(6) Ensure that each client is informed, prior to the rendering of services by the trainee that:

(A) The trainee is unlicensed and is functioning under the direction and supervision of the supervisor;

(B) The supervisor shall have full access to the client records; and

(C) Any fees associated with services provided by the trainee shall be paid directly to the supervisor or employer.

(7) Be responsible for monitoring the performance and professional development of the trainee, including how and when the supervisor will provide periodic assessments and feedback to the trainee as to whether or not the trainee is performing as expected.

(8) Have no current or former financial, personal, or familial relationship with the trainee, or other relationship that could compromise the supervisor's effectiveness, or that violates the Ethical Principles of Psychologists and Code of Conduct published by the American Psychological Association.

(9) Provide the trainee with the pamphlet “Professional Therapy Never Includes Sex.”

(10) Monitor the supervision provided by delegated supervisors.

(11) Be employed or contracted by the same organization as the trainee and be available 100% of the time SPE is being accrued. This availability may be in-person, by telephone, or by other appropriate technology.

(12) Ensure that a crisis plan is in place to protect the client in the event a crisis or emergency occurs during any time the supervisor is not physically present at the location the trainee is working. The primary supervisor shall ensure that the trainee thoroughly understands the crisis plan.

(13) Have the education, training and experience in the areas of psychological practice for which they will supervise, and shall be responsible for supervising the psychological functions performed by the psychological associate and ensure compliance with the provisions of the Code, the Board's regulations, and the ethical standards established by the American Psychological Association.

(b) A primary supervisor who is a licensed psychologist may delegate supervision to another psychologist, licensed marriage and family therapist, licensed educational psychologist, licensed clinical social worker, licensed professional clinical counselor or board certified psychiatrist. Upon such delegation, the primary supervisor shall maintain responsibility for providing the minimum one (1) hour per week of direct, individual supervision to the trainee, and ensuring compliance with this section.

A delegated supervisor shall comply with all of the following requirements:

(1) Be employed or contracted by the same entity as the trainee.

(2) Possess and maintain a valid, active license free of any current disciplinary action that disqualifies the supervisor from providing supervision, and shall

24 (9) Have no current or former financial, personal, or familial relationship with the
25 trainee, or other relationship that could compromise the supervisor's effectiveness,
26 or that violates the Ethical Principles of Psychologists and Code of Conduct
27 published by the American Psychological Association.
28

29 (c) If SPE is obtained in areas of general applied psychology, a licensed co-supervisor
30 is required if a primary supervisor is not licensed. The co-supervisor shall comply with
31 all of the following requirements:
32

33 (1) Possess and maintain a valid, active license issued by the Board free of any
34 formal disciplinary action that disqualifies the supervisor from providing supervision
35 during the period of supervision;
36

37 (2) Notify the trainee of any current disciplinary action that disqualifies him or her
38 from providing supervision;
39

40 (3) Prior to functioning as a co-supervisor and every two (2) years thereafter, the
41 co-supervisor shall complete six (6) hours of approved continuing education in

§ 1387.5. SPE Log.

The trainee shall maintain a written weekly log of all hours of SPE earned toward licensure. The log shall be made available to the Board upon request and contain a weekly accounting of the following:

- (1) The specific work setting in which the SPE took place.
- (2) The specific dates for which the log is being completed.
- (3) The number of hours worked during the week.
- (4) The number of hours of supervision received during the week.
- (5) An indication of whether the supervision was direct, individual, face-to-face, group, or other (specifically listing each activity).
- (6) A description of the psychological duties performed during the period of SPE.
- (7) The trainee's printed name, signature, and date signed.
- (8) Any delegated supervisor's printed name, license type and number.
- (9) The primary supervisor's printed name, signature, license type and number, and date signed.

When SPE is accrued as part of a formal pre-doctoral internship or post-doctoral placement, the training director shall be authorized to provide all information required in this section.

§ 1388. Examinations.

(a) The Board recognizes the expertise of the Department of Consumer Affairs' (DCA) Office of Professional Examination Services (OPES). The Board shall utilize the services of the OPES in licensing examination development and validation through an interagency agreement.

“Pathways to Licensure” Regulations Review

(b) An applicant shall successfully take and pass the licensing examinations prior to being licensed. The licensing examinations shall consist of the Association of State and Provincial Psychology Boards' (ASPPB) Examination for Professional Practice in Psychology (EPPP), and the California Psychology Laws and Ethics Examination (CPLEE), except for those applicants who meet the criteria in section 1388.6 of this chapter. Such applicants shall be required to take and pass the CPLEE.

(c) An applicant is eligible to take the EPPP upon completion of a qualifying doctorate degree and 1500 hours of qualifying professional experience. An applicant shall pass the EPPP and complete all 3000 hours of supervised professional experience prior to being eligible for the CPLEE, whichever is applicable, pursuant to section 1388.6.

(d) Upon application, the Board will notify applicants of their eligibility to take the EPPP. Applicants are responsible for completing any administrative requirements for taking the EPPP established by ASPPB or its agent, including paying any fees. This subsection applies to those re-taking the EPPP as well as to those taking it for the first time.

(e) For forms of the EPPP taken prior to September 1, 2001, the passing score is the score that was recognized by the Board at that time. For computer administered forms of the EPPP, the Board shall accept the passing score recommended by ASPPB.

(f) Qualified applicants desiring to take the CPLEE shall submit to the Board the fee set forth in section 1392 of this chapter. Applicants shall comply with all instructions established by the DCA examination vendor for taking the CPLEE.

(g) The passing score on the CPLEE shall be determined for each form of the examination by a criterion referenced procedure performed by OPES.

(h) An applicant for whom English is the applicant's second language may be eligible for additional time when taking the EPPP and/or the CPLEE. The applicant must complete and submit a request for additional time that states under penalty of perjury that English is the applicant's second language. The Test of English as a Foreign Language (TOEFL) certification score of 85 or below must be sent by Educational Testing Service directly to the Board. The TOEFL must have been taken within the previous two years prior to application. The Board will only consider the highest score of any TOEFL taken within the previous two years. If approved, the applicant will be allotted time-and-a-half (1.5x) when taking the examination.

§ 1391.2. Withdrawal of Applications.

An application for registration that has not been completed within ninety (90) days after additional information has been requested by the Board shall be withdrawn.

Note: Authority cited: Section 2930, Business and Professions Code. Reference: Section 2913, Business and Professions Code.

§ 1391.5. Supervision Required.

(a) A psychological associate shall be under the direction and supervision of an individual who is licensed to practice psychology, as defined in Section 2903 of the Code. The supervisor must be employed by or contracted with the same setting in which the psychological associate performs psychological functions. Primary supervisors who are supervising psychological associates must comply with the requirements set forth in section 1387.1.

(b) A psychological associate may receive delegated supervision pursuant to sections 1387.1(b) or (d) and must comply with the requirements set forth in section 1387.2.

“Pathways to Licensure” Regulations Review

(c) The psychological associate shall receive a minimum of one (1) hour per week of real time, direct individual supervision from the primary supervisor, unless more such supervision is required under Section 1387 or by the nature of the psychological functions performed by the psychological associate.

(d) Requirements for interim supervision are defined in 1387.1(d).

Note: Authority cited: Section 2930, Business and Professions Code. Reference: Section 2913, Business and Professions Code.

§ 1391.6. Supervisor’s Responsibility.

(a) Every supervisor of a psychological associate shall have the education, training and experience in the areas of psychological practice for which they will supervise, and shall be responsible for supervising the psychological functions performed by the psychological associate and ensure that the psychological associate complies with the provisions of the code, the Board’s regulations, and the ethical standards established by the American Psychological Association.

(b) The supervisor shall ensure that each client is informed, prior to the rendering of services, that the psychological associate is unlicensed and is under the direction and supervision of the supervisor. Each client shall also be informed that the supervisor shall have access to the client’s chart in fulfilling his or her supervisory duties.

(c) The supervisor shall be available to the psychological associate 100% of the time the psychological associate is performing psychological functions. The availability can be in person, by telephone, or by other appropriate technology.

(d) The supervisor shall ensure that a plan is in place to protect the client in the event a client crisis or emergency occurs during any time the supervisor is not physically present at the established site at which the supervisee is working. The supervisor shall ensure that the supervisee thoroughly understands the plan in the event a client crisis or emergency occurs.

(e) The supervisor shall supervise no more than three (3) psychological associates at any given time.
