SUBJECT	Agenda Item #22(a) – Foreign Degree Evaluation Process Presentation for Discussion: National Association of Credential Evaluation Services (NACES) and National Register of Health Service Psychologists (NRHSP) relating to Business and Professions Code Section 2914

Background

At the January 11, 2019 Licensing Committee (Committee) Meeting, the National Register of Health Service Psychologists (NRHSP) and the National Association of Credential Evaluation Services (NACES) gave presentations on their foreign degree evaluation processes. This presentation was made because NRHSP requested the Board recognize their agency as a foreign degree evaluator. Mr. Matthias Bretschneider presented on behalf of NACES and Morgan T. Sammons, PhD, from the American Board of Professional Psychology, presented on behalf of NRHSP.

The Committee discussed the NACES and NRHSP presentations on foreign degree evaluation processes and the Board of Psychology's current requirements for foreign degree evaluation in Business and Professions Code (BPC) Section 2914. The Committee asked staff to use the Committee's discussion as a guide to draft amendments to BPC Section 2914 for the Committee to review and discuss at their next meeting.
