

INSTRUCTIONS FOR COMPLETING THE SUPERVISION AGREEMENT:

- The purpose of an agreement is to ensure that both the supervisor and supervisee understand and have a plan to comply with the laws and regulations related to the accrual of supervised professional experience (SPE). This form is provided for your convenience to help you meet the requirements pursuant to CCR Section 1387.
- Review CCR sections 1387 et seq. prior to developing a plan for SPE and completing this agreement.
- Both the primary supervisor and supervisee shall complete, review, and sign an agreement **prior to** the commencement of the supervised professional experience. **Experience prior to preparation of a signed agreement will not count toward licensure.**
- The primary supervisor should maintain this agreement until the supervisee completes the SPE.
- Upon completion of the experience, the primary supervisor submits this original signed agreement with the original signed verification of experience form to the supervisee in a sealed envelope signed across the seal.
- The supervisee shall submit the sealed envelope containing the supervision agreement and verification of experience form to the Board along with their application.

On a separate page, type your responses to the following items:

1. Describe the specific duties the supervisee will perform as they engage in psychological activities that directly serve to prepare the supervisee for the independent practice of psychology once he or she is licensed.
2. Summarize the goals and objectives of this plan for SPE, including how socialization into the profession will be achieved.
3. Describe how and when the supervisor will provide periodic assessments and feedback to the supervisee as to whether or not he or she is performing as expected.

When answering each of the above questions, describe how the plan will meet the requirements of SPE as:

- an organized program that consists of a planned, structured, and administered sequence of professionally supervised comprehensive clinical training experiences. SPE shall have a logical training sequence that builds upon the skills and competencies of the supervisee to prepare him or her for the independent practice of psychology once he or she becomes licensed.
- a plan that includes socialization into the profession of psychology and how this socialization will be augmented by integrated modalities including mentoring, didactic exposure, role modeling, enactment, observational/ vicarious learning, supervision, and consultative guidance.
- planned activities that address the integration of current and evolving psychological knowledge, principles, and theories to the professional delivery of psychological services to the consumer public.

-----SUPERVISION REQUIREMENTS-----

IN ADDITION TO THE ABOVE PROVISIONS, THE FOLLOWING PROVISIONS OF THIS AGREEMENT ARE TO BE COMPLETED BY BOTH THE PRIMARY SUPERVISOR AND THE SUPERVISEE, AND REVIEWED BY ALL SUPERVISORS:

In any supervised professional experience, the primary supervisor assumes professional and ethical responsibility for the psychological functions performed by the supervisee. The supervisor is also responsible for ensuring that the supervised professional experience meets all requirements set forth in CCR Section 1387 and, in the case of registered psychological assistants, in CCR Section 1391. **Supervised professional experience under Section 1387 states: SPE is defined as on organized program that consists of a planned, structured and administrative sequence of professional supervised comprehensive training experiences.**
